SENATE TO VOTE ON PROHIBITION NEXT WEEK

(Associated Press by U. S. Naval Communication Service)
WASHINGTON, D. C., July 27.—After having debated the matter of national prohibition as it became involved in one or another of the various war measures which have appeared before congress, with prohibition one of the outstanding features of the war session, the senate will vote on the clear-cut issue on Wednesday next.

SOLDIER INSULTS FLAG GETS SEVEN YEARS

(Associated Press by U. S. Naval Communication Service)
SAN ANTONIO, Texas, July 27.—Seven years at hard labor was the sentence yesterday pronounced upon Otto Ludwig, a private in the regular army, for using language which the court-martial found to be disrespectful to the country's flag and to the president. In time of peace such language could not be permitted, but in time of war it became treasonable and unbearable, and the severe penalty was given as a warning to others as well as for the punishment of the offense.

ANARCHIST LEADERS MAY BE DEPORTED

(Associated Press by U. S. Naval Communication Service)
NEW YORK, N. Y., July 27.—Emma Goldman and her partner and fellow anarchist Berkman are to be deported in the event that their appeal shall be successful, according to plans of the government. Stay of sentence of appeal was granted them by the federal court of appeals and Berkman returned to New York from the penitentiary yesterday, and Emma Goldman will be here today. Hearing on the bonds on appeal was deferred pending her return.

Berkman said yesterday evening that he would fight a requisition for him from California.

PACIFIST RESOLUTION DISCUSSED IN COMMONS

(Associated Press by U. S. Naval Communication Service)
LONDON, Eng., July 27.—A peace resolution, backed by the few pacifists in the membership of commons, brought about a peace debate in that house of parliament yesterday, in which former Premier Asquith took occasion to express his disappointment at the vagueness of the resolution passed by the majority in the German reichstag.

The mover of this resolution stated that he realized that he voiced the opinion of a minority, but it is a minority that is rapidly growing, he claimed.

Asquith, replying for the government, said that peace was the paramount aim of all the parties in Great Britain, but it must be a peace conditioned upon the fact that the Entente was not beaten in the war. The war aims of the British government, he said, is that it proposes to see that the immeasurable losses sustained by the British and shared in common by all the Allies of Great Britain had not been made in vain. The loss of life and the suffering must not be allowed to be wasted, he declared.

SURVIVORS OF TEUTON FRIGHTFULNESS SAFE IN ATLANTIC PORT

(Associated Press by U. S. Naval Communication Service)
ATLANTIC PORT, July 27.—The survivors of the crews of six American ships recently lost in French waters as results of German submarine activities and of wrecks, reached the United States yesterday, all passengers aboard the one vessel.

Included among these survivors are the captain and 18 members of the crew of the American-Hawaiian steamer Kasaan, the captain and 22 members of the crew of the steamer Orizaba, and the captain and 31 members of the crew of the steamer Massapequa, each of which vessels had been sunk by a torpedo. Eleven of the crew of the steamer Mary W. Bowen, which had been sunk by submarine shell fire, and the captains and 27 of the crews of the schooners Edward B. Winslow and Addie M. Lawrence were among the returned American seamen.

The Winslow was lost by being burned at sea and the Lawrence went ashore and was wrecked.

CALIFORNIA CANNERY WORKERS CAUSE RIOT; FEDERAL TROOPS ASKED

(Associated Press by U. S. Naval Communication Service)
SAN JOSE, Cal., July 27.—Heads of the cannery here have sent out requests for federal troops to defend their properties and aid the police and sheriff's officers in preserving order. This action followed a riot yesterday afternoon in which full 800 participated and in the course of which twenty-five arrests were made. There are about 200 operatives involved in the strike.

Yesterday's riot came about in an attempt by the strikers to close the Central California Cannery. Some unknown person or persons fired a shot into a house on the cannery grounds which was occupied by the family of the foreman of the plant, but none of them was injured.

It is alleged that from the strikers have been heard threats that they would poison the products of the company. Officials say that they will close the cannery unless protection be furnished to them, rather than endanger the health and lives of the public and consumers through a possibility of such threats being carried into effect.

WASHINGTON, D. C., July 27.—The conferees on the food control bill have held two meetings, and as a result it is now announced that an agreement on the points at issue between house and senate will soon be reached, in time, probably, for a report to be made on Monday. An agreement covering the whole bill is expected to be reached at the conference meeting today.

RIVERS AND HARBORS BILL PASSES HOUSE

(Associated Press by U. S. Naval Communication Service)
WASHINGTON, D. C., June 27.—The rivers and harbors bill, which carried items for Hawaii, passed its final reading in the senate yesterday by a vote of fifty to sixteen.

JURY OF WOMEN MAY TRY MRS. MOONEY NEXT

(Associated Press by U. S. Naval Communication Service)
SAN FRANCISCO, Cal., July 27.—Plans of the state look to another trial of Mrs. Mooney on other indictments and points than those upon which she has just been acquitted. On the next trial it will probably be attempted to secure a jury composed largely of women. State's Attorney Fickert said yesterday afternoon he would oppose the release on bond of Mrs. Mooney.

LIQUOR STOCKS SEIZED IN IOWA DRUG STORES

(Associated Press by U. S. Naval Communication Service)
DES MOINES, Iowa, July 27.—Drug stores which have been doing a thriving business in supplying liquor to thirsty will today be carrying on only their legitimate business. Those that still have any liquor in stock will be chary of supplying it to any customers while others that have been well stocked with intoxicants are now "bone dry."

WAR BUDGET MAY REACH EIGHT BILLION

(Associated Press by U. S. Naval Communication Service)
WASHINGTON, D. C., July 27.—The new war budget prepared by Secretary of the Treasury McAdoo, covering the estimated expenditures for the year up to July 31, 1918, which includes the voting of additional credits to the Allies, promises to amount to the enormous total of eight billion dollars and may run up to ten billion before it is completed and voted.

THREAT MADE TO TIE UP DELAWARE SHIPYARDS

(Associated Press by U. S. Naval Communication Service)
PHILADELPHIA, July 27.—Threats to call a strike which would tie up the Delaware river ship yards and so greatly delay ship building needed for government purposes are reported to have been made yesterday by Charles Scott, an organizer of the boiler makers and ship builders' union.

Scott is reported to have said he attempted to set the authority of his unions against and over that of the country and to have said: "If the government does not exempt the single men of our unions as well as the married men we will call a strike of the 4300 members of our unions and call out every man who is engaged in completing the ship in progress of building along the Delaware river."

COL. ROOSEVELT URGES UNIVERSAL TRAINING

PITTSBURG, Pa., July 27.—Addressing a national gathering of the Loyal Order of Moose in convention here yesterday Colonel Roosevelt declared that whatever preparedness the country is now achieving is at best only temporary and that there can be no real preparedness until a definite policy of universal military training at all times and universal military service is made a time of war.

"Universal service in wartime is the duty that every young man and every young woman owes to his and to her country," declared Roosevelt. "To render this service at its best training is indispensable and it is because of our lack of just this training that we are today a very miracle of efficiency as compared to the real efficiency the other Allied nations have now developed."
